

Insurance Certificate

Certificate regarding Existence of Insurance						Certificate issue date (DD/MM/YYYY)			
This insurance certificate is a reference to the fact that the insured has a valid insurance policy, in accordance with the information specified in it. The information detailed in this certificate does not include all the terms of the policy and its exceptions. However, in the event of a conflict between the conditions specified in this approval and the conditions set forth in the insurance policy, what is stated in the insurance policy will prevail, except in the case where a condition in this approval benefits the certificate holder.
